Welcome

Welcome to the No Nonsense Hope Tech North Of England MTB XC Championships. Thank you for supporting us.

Please read the following information carefully as it will help you to stay safe and enjoy your racing all the more.

This is our first foray into XC mountain bike racing and we're looking forward to putting on a challenging event in a form of the sport that's very close to the heart of many Shibden CC members.

As ever, we are putting these events on for the love the sport and we are very grateful to Hope for bringing some of their love of racing, knowledge of the sport and expertise to the event as well, particularly in the development of the course.

Have a great day!

Rider Info - The Detail

- The site has one entrance which leads straight to the car park.
- Signing on will be in a gazebo which will be located on the road to the car park. The event is pre-registration only. On entry into the car park cars will stop at the gazebo and will be issued with race numbers and timing chips.
- Please sign-on from within your vehicle
- Please wear your timing chip around your ankle
- There will be a large start grid - please arrive in plenty of time for your race
- The race number you receive correlates to the numbers in the start grid - your rider number corresponds to the row and column you are in - for example, 33, is in the third column and the third row.
- All races are single bike races and no external mechanical assistance is permitted.
- The start grid will be spray painted into 1.5m wide lanes and riders will grid in the centre of the lane, giving them the 1m social distancing required. The grid will be 8 wide and up to 8 deep.
- In addition to the start grid there will be a finishing funnel. Riders will be funnelled into the lanes and remove their chips and numbers, with pins attached, and place them in bins provided by the chip timing company.
